Transition to ISO 9001:2008 from ISO 9001:2000

This workshop covers important information on the changes to the ISO 9001:2000 standard, and gives specific guidance on how to deal with the changes in documentation requirements. Although the revisions are intended to be amendments, and are not added requirements, there may need to be some modifications to your system, depending on how you interpreted the requirements. Learn the best way to implement the amendments and streamline your existing system at the same time.

Topics include:

- A status report on the ISO 9000 family of standards
- Reasons for changes
- ISO 9001:2008 changes
- Transitioning to the new revision

Date/Time: November 16, 2009

8:00 am - 4:30 pm

Cost: \$425 *(Grant Funding may be available for eligible companies)*
